GARDEN RULES:

This document sets out the rules that govern Brewery Creek Community Garden. These Rules are

intended to help all our Gardeners grow fresh, healthy food in a thriving garden, to help create a sense of community among our gardeners, and to help the garden to be a good neighbour.

The Brewery Creek Community Garden, through its membership with the Urban Diggers Society, has an agreement with the Vancouver Parks Board for use of the land and administers these garden rules. The Garden Board of Directors manages the Garden and administers these rules. By completing the annual online registration, gardeners agree to comply with the stated Garden Rules and Agreement below..

1. ACCESS TO THE GARDEN

Season: The Garden is open and accessible all year.

Hours: Gardeners may be in the Garden as per Guelph Park hours.

Keys and Security: Where applicable, the Garden Board will give each Gardener the combination or code to open the lock for access to the shed/water faucet keys. On leaving the Garden, Gardeners are responsible for locking the shed/water faucet keys if there are no other individuals in the Garden. Gardeners will follow any additional security guidelines that may be announced by the Garden Board.

2. PERSONAL GARDEN PLOTS

Plantings: Gardeners may use only the plots assigned to them by the Garden Board. Gardeners will maintain their plants within their plots and will trim any plants that extend into neighboring plots or into common areas. Gardeners may not alter the dimensions of their plot

Supplies: Gardeners may plant vegetables, fruits, and flowers. Gardeners may not maintain plantings or plant-supporting structures that impede the security of the garden or impede adjacent gardeners' access to sunlight by the nature of their height, material or density. Gardeners may not plant invasive species anywhere in the garden, including their individual plots. If in doubt, please ask a board member.

Organic Methods: Gardeners will garden organically. Gardeners will check with the Garden Board before applying any fertilizers, pesticides, herbicides, or rodenticides, even if labeled "organic." Use of compost, organic mulch, and weeding is always acceptable.

Water: Each Gardener is responsible for watering his or her own plot using the hose provided by Garden. Gardeners will not overwater their plants or leave a hose unattended. Gardeners should also abide by watering restrictions imposed by the City. Water faucet keys are to be returned to the shed after use.

Personal Garden Tools: Gardeners may bring their own tools into the Garden to use in their plots. The Garden is not responsible for the loss or damage of these tools. Gardeners are responsible for any damage caused by tools they bring into the Garden and so should use them with care.

Plot Maintenance and Trash: Gardeners will maintain their plots and adjacent paths in a clean and neat fashion, promptly removing any weeds, overgrowth, or other waste from their plot. Gardeners will promptly harvest edible plants. Gardeners are responsible for hauling and disposing of their own trash,

such as weeds, boxes, trays, bags, packets, and similar items.

Yearly Clean-up: Personal plots are to be winterized (cleared and topped up with compost) by November 1st unless you intend to grow winter crops or perennials.

Compost: Gardeners will place any organic waste such as weeds, dead plants, or rotten produce, in the compost bins and city green waste bins designated by the Garden Board. The gardeners should cut any organic waste to 4" length before putting it into a compost bin and follow other compost rules as posted by the Garden Board and/or committee.

Absence: Gardeners may not abandon their plots. If a plot appears neglected or abandoned by **May 1, 2021**, the Garden member will lose their plot. No refund of fees will be provided upon termination of membership.

Plot sublets: If a garden member is not able to tend to their plot for one growing season, they are to contact the Board. An appropriate person on the waitlist will be selected to temporarily tend to the member's plot for a maximum period of one year. Gardener members are still responsible for registration and member fees. After the one year period, the gardener must return or give up ownership of the plot.

Plot transfers: If Gardeners will no longer be using their plot, they must contact the Garden Board to reassign the plot. Out of fairness and consideration for those currently on the waitlist for a garden plot, gardeners are not permitted to transfer ownership of their plot to any one other than those currently on the garden wait list.

3. COMMON AREAS AND RESPONSIBILITIES

Common Tools: Garden Board or Gardeners collectively may provide a set of tools in a storage shed in the Garden for use by all Gardeners. Gardeners will return the Common Tools to the storage shed as soon as they are finished using them. If a Common Tool appears dangerous or in disrepair, Gardener will not use the Common Tool and inform the Garden Board immediately.

Common Responsibilities: Gardeners will help maintain and care for common areas, such as communal garden plots, pathways and storage shed. Gardeners will promptly report any concerns about the safety of the Garden to the Garden Board. If there is vandalism, storm damage, or other damage to the Garden, all Gardeners are expected to help in cleaning up and restoring the Garden to its prior condition, but the Garden Board will bear the cost of the repairs.

Volunteer Time Contribution: In accordance with the vision statement and aims of the Garden, all members are expected to complete an annual Volunteer Time contribution to help maintain the garden and foster a sense of community within the garden. Completion of Volunteer Time can be accomplished by contributing a minimum of 6 hours with a Garden Committee and/or attending a minimum of 2 scheduled Garden Work Parties per year. Volunteer time contribution can be recorded in the Volunteer Log posted in the garden shed.

Garden Work Parties: The garden requires ongoing maintenance to keep the area beautiful and in good working order. The Garden Board will schedule work parties on a monthly basis between March-November. Members will be notified of the dates and times of these work parties on the Garden

Website and by email.

Garden 'Community Corner' Assignments: All Garden Members must sign-up for a section of the communal garden area (Community Corner) that they will be responsible for watering, weeding and tending to over the growing season (April-October). Garden members will select their section at the AGM, otherwise, a section will be assigned to them by the Board.

4. COMMUNICATION

Contact Information: Gardeners must inform the Garden Board of any change in their contact e-mail addresses or phone numbers.

Gardener Input: Gardeners are encouraged to provide suggestions about Garden operations to the Garden Board. Gardeners should contact the Garden Board directly at the email provided by the Garden Board with any questions relating to day-to-day operational matters.

Annual General Meeting/Registration: Once a year, the Garden Board will invite all Gardeners to an annual meeting to notify Gardeners of any changes made in how the Garden operates, these Rules, in assignments of plots, to discuss any issues or concerns. The Garden Board will provide notice of the annual meeting by email no fewer than 14 days in advance. Annual membership fees paid in cash or by cheque will be collected at this time. Attendance to the AGM will count towards 1 hour of their volunteer time contribution.

Board Meetings: The Garden Board meets regularly to discuss revision to garden rules, resolution of grievances, and other topics of concern to the garden members. Garden members are welcome to attend board meetings. The Board meeting schedule and minutes from past meetings are to be posted on the garden website.

Confidentiality: Garden Board and other Gardeners will not use any personally identifiable information, including Gardener's name, email address, telephone number, or street address, for purposes other than the operation of the Garden.

General Conduct: Gardeners are expected to be civil, honest, and cooperative in dealing with the Garden Board, Garden neighbors, other Gardeners, and guests of other Gardeners.

Guests: Gardeners may bring guests, including children, into the Garden, provided that the guests comply with the Rules. Gardeners will supervise any child under the age of 12 years old. Gardeners will be responsible for the conduct of children and their guests including making sure they do not damage or interfere with activities on other plots or otherwise engage in inappropriate conduct. Guest violations of these Rules are treated as violations by the Gardener.

Respect Others' Property: Gardeners may not enter other plots, use another Gardener's tools or supplies, or harvest another Gardener's produce, without the explicit permission of the other Gardener. Gardeners may not enter property next to the Garden without the owner's permission.

No Illegal Plants: Gardeners may not grow any plants considered illegal under provincial or federal law.

Upon termination, the Gardener will promptly return any Garden property to the Garden or Garden Board. Terminated Gardeners are not entitled to any refunds of Garden fees or other payments from the Garden Board.
