1. COVID-19 UPDATE	Cheryl	<ul style="list-style-type: none">City is entering into Phase 3 of re-opening plan and now will allow group events of up to 50 people to occur. This is conditional upon 2m social distancing and hand hygiene protocols followed. Board decided to suspend all work parties for the rest of the year as these protocols would be too difficult to follow with many people in the gardenMembers present regretted the cancellation of work parties because they really add to the community spirit of the garden	Formal work parties will not be occurring for the foreseeable future for 2020 gardening season
2. VIRTUAL WORK PARTIES	All	<ul style="list-style-type: none">Instead of designated time and date for workparties, members present discussed hosting “virtual work parties” with a focus on one or two activities with a time frame spread out over a week or more.Weeding is the biggest concern for the summer. Suggested to try a one-two week blitz on weeding late July, prior to an order of gravel for pathways.	<ul style="list-style-type: none">Cheryl to email garden members around upcoming weeding blitz, once delivery date for gravel is known. Suggested giving 2+ weeks to weed prior to gravel spreading
3. GARDEN PROJECTS	All	<ul style="list-style-type: none">Fruit trees to be edged and weeded and have compost added. Pruning needed? Tree Gator bags purchased by Cheryl for fruit trees. Will be placed after tending.Gravel order – mid-AugustNative garden needs more plantsGate – Christine was to reach out to David D regarding rebuilding the gate.	<ul style="list-style-type: none">Courtney to send email to members assigned the fruit trees as their community corner on what work is neededCheryl to reach out to community garden FB group to ask for recommended gravel suppliersCheryl to connect with Christine if she was able to talk to David about gate build and repair
4. FOOD SHARE STAND	Jaymie	<ul style="list-style-type: none">Food share stand being designed and built currently by Jaymie and her partner. Goal is to	<ul style="list-style-type: none">Jaymie to provide updates on the food share stand as they come available and to ideally,

		<p>have installed by late July.</p> <ul style="list-style-type: none"> ◦ Plan is to mount on the trellis at the garden entrance, near the gate. ◦ Basic design is for 2-3 removable hanging shelves that will hold produce of various shapes/sizes with roof overtop to keep the whole thing dry 	complete installation by late July
5. GARDEN UPKEEP	all	<ul style="list-style-type: none"> ◦ Members in attendance walked around garden to identify any areas in need of maintenance or additional care. Overall garden looks to be in good shape. ◦ Two individual plots identified, needed some TLC <ul style="list-style-type: none"> ▪ Plot # 15: plants too tall (over 6') ▪ Plot # 13?: gardener tending to plot this year? ◦ Grape vines seem to be teeming with grapes! Members unsure of pruning needs of grape vines ◦ Compost is mostly spread, but still needed on fruit trees, LD potato plot (#43) and Herb garden 	<ul style="list-style-type: none"> ◦ Cheryl to contact Rob and Kahn about tending their individual plots. ◦ Cheryl to email all garden members about weeding around community corner and own plot in advance of gravel order and maintenance of community corner assignments. Gardeners encouraged to ask questions if they need help identifying what need to be done in community corners ◦ Courtney to reach out via Google groups if any members know how to prune or have pruning tips ◦ Courtney to email Sabrina regarding spreading compost on herb garden
6. NEXT MEETING AND WORK PARTY		<p>NEXT BOD MEETING: Early August 2020</p> <p>Work parties will continue to be suspended for the summer months.</p>
