COMMUNITY GARDEN

COVID-19 Protocols In The Garden

April 3, 2020

In keeping with the Vancouver Parks Board response to the COVID-19 outbreak, effective April 3, 2020, Community Gardens are to follow these guidelines, which are subject to change.

- **All work parties & events are cancelled until further notice.**
- You may continue to garden if it is safe to work independently and you can ensure the activities can be completed:
 - without hosting a public event;
 - maintaining physical distancing of at least 2 metres (6 feet) between individuals;
 - **Our maximum number of gardeners is 10 people.**
 - **The garden is closed to the public when our gardeners are at work.**
 - wearing gloves at all times when working in the garden;
 - without sharing food, tools, gloves, or equipment;
 - **Bring your own tools, no shared snacks or lunches.**
 - **Any shared items must be sanitized before and after use.**
- while following the City of Vancouver's COVID 19 guidelines:
 - remain at home if you are feeling sick;
 - remain at home if you have recently travelled outside of Canada;
 - wash your hands before and after going outside;
 - cover your cough or sneeze.
